What is in this guide

> **FREE SAMPLE** This short file is a free sample of *RigRight — Gaming Builds Guide*. It is not the full guide and has no purchase price. The complete guide is sold on the RigRight shop as Gaming Builds (launch price $15, regular price $19).

1. Who this is for, and what it is not
2. How to pick parts by budget
3. Compatibility checklist
4. Example build tiers
5. Step-by-step assembly
6. First boot, BIOS, and drivers
7. Common mistakes
8. The first week
9. A parts tier list, and the criteria behind it
10. The display and the rest of the desk
11. Glossary
12. Closing notes

A one-page summary of the compatibility checks sits at the end of chapter 3, and a first-boot checklist sits at the end of chapter 6. If you only have time for two pages before you buy, read those. Chapter 3 also ends with a worksheet you can fill in for the exact models you are considering.
